

ABOUT US:

With a vision of sharing the knowledge we gained from years of playing chess, **we, CRG Chess Academy**, started this academy to train aspiring chess enthusiasts.

We are an academy of International Masters (IM) and Fide Masters/Trainers (FM/FT) providing coaching to aspiring chess players of all levels.

We have had 300+ online students enrolled in the academy out of which 50+ students are promoted from beginner level courses (level-1) to taking courses (FIDE Rated level player level) tutored by International Masters.

WHY CRG CA?

Great Instructors

Syllabus and fee details

Total Duration: 4 Weeks | Sessions: 8 (1 hour each)

Fee for the course: INR 15500

The course is designed for Knights-level students and covers the following advanced topics:

- Game Structure: Understanding the different phases of a chess game and their importance.
- Opening Mastery: Learning the Golden opening principles and how (and how not) to play the opening.
- Theory: Basic theory of the most important openings.
- Middlegame: Introduction to essential tactical patterns.

Learning Support & Benefits:

- In addition to the live sessions, the program includes:
- Interactive Practice: Deep-dive sessions on opening theory and tactical recognition.
- Homework: Assigned tasks focusing on middlegame patterns and opening execution.
- Monthly Internal tournaments
- Resource Guidance: Advanced study materials for opening and middlegame development.

- Official Certificate upon completion.
- Direct feedback from the coach.
- A scheduled call with the Founder.
